### Commute to This

Los Angeles-based pianist Ken Elkinson recently released his Music for Commuting CD box set (Vols. 1–6). Elkinson's soothing, ethereal and beautiful music is split over three discs: *Monday & Tuesday, Wednesday & Thursday* and *Friday & Beyond*. Our editorial staff (all commuters) tested out his tunes, and 4 out of 5 agree that it lowered potential road rage by at least 95 percent. Listen for yourself at [www.kenelkinson.com](http://www.kenelkinson.com), iTunes or Amazon.com.
