

Music

The music you choose to use in your massage therapy practice helps set the mood for each session. Different types of music elicit different types of client responses, so having a variety of options at your disposal is a good business practice. From piano to Earth sounds, these albums are intended to add a healing ambiance to your hands-on work.

AUGUST SON PRODUCTIONS
Music For Commuting

This six-CD set features 60 tracks of instrumental ambient music from noted pianist Ken Elkinson. Each track is designed to relax the listener and let the mind travel far from worry and concern,

and is intended to add tremendous variety to any massage therapy session.

- More than four hours of music total
- Different moods with each double CD
- Each double CD has a duration of more than 75 minutes

Music for Commuting costs \$20. Contact August Son Productions, (800) 334-7874 or www.kenelkinson.com
