COMPILED BY SEAN EADS

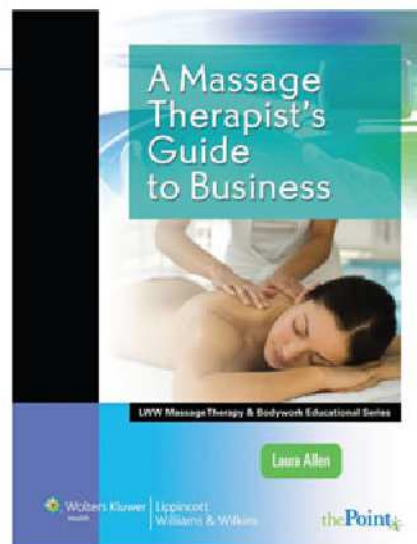

MUSIC FOR COMMUTING BOX SET

This six-CD set features 60 tracks of instrumental ambient music from noted pianist Ken Elkinson. Each track is designed to relax the listener and let the mind travel far from worry and concern, and adds tremendous variety in any massage therapy session. Available for \$20 at 800-334-7874 or www.kenelkinson.com.

A MASSAGE THERAPIST'S GUIDE TO BUSINESS

This 304-page book by *Massage & Bodywork* columnist Laura Allen gives practical advice about growing a practice and provides checklists and forms for business use. Features include "Words of Wisdom," brief passages of advice; "Explorations," which prompts readers to research issues in their communities; and "My Personal Journey," a blank journal space. Available for \$44.95 at 800-638-3030 or www.lww.com.

EASY BILLING PROFESSIONAL

This medical billing software works with both PCs and Macs and is designed for complete business management integration. In addition to its client-scheduling feature, the software can generate custom and canned reports, work lists, shared claim tasks, and custom letters. Its electronic billing feature has an auto payment posting, CMS 1500, and Superbill Receipts. Pricing starts at \$1,795 at 800-618-6136 or www.easybillingsoftware.com.

HEALTHY BENEFITS

Biotone's new product line includes Oil-Free Face Massage Creme, Massage Creme, and Massage Gel. Each has the active botanicals of grapeseed, green tea, pomegranate, and white grape. These ingredients are known for their antioxidant benefits, and help fight free radicals that cause skin cell damage and result in premature skin aging. For details on sizes and pricing, call 800-445-6457 or visit www.biotone.com.
